The Comet Cupboard is a UT Dallas food pantry initiative dedicated to helping students in need. Its primary mission is to provide necessary food and personal care items to members of the UT Dallas community, but its impact reaches much further. The Comet Cupboard acts as a service learning component of the undergraduate academic experience and strives to cultivate a campus culture where the community is valued above individualism. The Comet Cupboard is located in MC 1.604, in the basement of the McDermett Library.

The Comet Cupboard is anticipating food and personal care item shortages during the coming weeks. We hope you’ll help us continue to feed our hungry Comets! Contact cupboard@utdallas.edu to learn how to donate items, or donate online now.
