Partial Exemptions

A partial exemption allows a student to be exempt from part but not all of the TSI Assessment.

**College Credit Exemption**

- Dual credit coursework will be evaluated upon receipt of official transcripts with final course grades to declare partial TSI completion by test section (i.e., math, ELAR section exemption)
- Certain AP test credit (RHET 1302, MATH credit) may be used to declare partial TSI completion
- Students transferring courses from another institution of higher education may be exempted (partially or fully) upon review of official transcripts*

*Note: Official transcripts should be submitted to UT Dallas Enrollment Services as soon as possible. Official evaluation must be completed to determine course equivalencies before a TSI waiver will be granted. If you are a student with a TSI Hold on your record, it must be removed prior to registering for courses. Contact an academic advisor in your program for more information.
